DATA PROTECTION

In order to comply with the requirements stipulated by the General Data Protection Regulation (GDPR), which came into force on 25 May, 2018, we wish to inform you of how we process and store your data.

IBIS members provide contact details on joining and these details are only held by Officers of the Society, the Membership Secretary primarily, the Treasurer and Chair, for the purpose of communication i.e. circulating *Studies in Illustration*, Journals, occasional papers and organising events. This data is stored securely and we treat this data with the utmost care and confidentiality and will never share your information with third parties.

If you would like to continue receiving information from us, you do not have to do anything. Should you wish to change or update any of your details, please contact the Membership Secretary.

If you do not wish to receive any communication from us and you would like us to delete all of your information entirely, please let the Membership Secretary know.

Membership Secretary: Martin Steenson, email: ibissec@martinsteenson.co.uk

Treasurer: Mark Richards, email: markrichards@aznet.co.uk

Chair: Geoffrey Beare, email: gcbear@btinternet.com

The Society also runs an “email list” which is primarily for the benefit of members, although we do allow non-members to join the list. The list is managed via the MailChimp system, access to which is only available to the Officers on the Society. This is used solely for the purpose of disseminating information which we feel will be of specific interest to those on the list. Anyone joining the list will be required to confirm (on receipt of an initial email) that they are, indeed, intending joining the list. Anyone on the list can leave at any time. New members of IBIS are not automatically added to this email list.

Please note that “Cookies” are used for the processing of orders within our online store. They are not used for other purposes or elsewhere on this website.
